RE: Ms. Argentati

As some of you have noticed, Ms. Argentati has not been in school recently. She has not been feeling well and is going through some medical tests this week. Ms. Argentati will not be back to school for a while but I want to assure everyone that if anyone needs anything, the guidance office is prepared to help as usual. As I hear more information about Ms. Argentati, I will share it. We will be getting help in our guidance office so that we can continue to support everyone.

Please remember to respect the privacy of Ms. Argentati's family. As members of our school community, I am sure we can support each other during this time period.
