EDUCATION ELECTION

LIBERTY

CENTRAL SCHOOL DISTRICT

Annual school budget vote is May 16

On Tuesday, May 16, Liberty Central School District residents will vote on a nearly \$66.3 million budget proposal for the 2023-24 school year that enhances curriculum and improves programs while decreasing the tax levy by \$1 million, or 5.33%.

This is the fifth consecutive year there is no proposed tax levy increase. Voters will also elect three board of education candidates.

The proposed \$66,296,362 budget would fund all current student programs and services. It would enhance the nationally recognized social emotional learning program Leader in Me and expand Science 21 and the HMH ELA and mathematics programs, which would help provide a consistent curriculum across grades. The budget also proposes to establish an in-house newcomer program for multi-language learners, add two permanent substitute positions to each school building, an LPN position to be shared across two buildings, bring the IT director position in-house and add vape detectors to the middle and high school bathrooms. The proposal also includes funds to enhance safety and security.

The proposal calls for a \$8,753,105 million increase in spending, or 15.21%. A significant state aid increase would enable the district to cover the growth in contractual and transportation costs, as well as begin to address the state-required mascot change, without any further increase to the proposed tax levy amount. A portion of the increased state aid would also be used to address K-8 learning loss that occurred during the COVID-19 pandemic.

"With this budget, we aim to provide our students a consistent curriculum, needed supports and continued opportunities to empower themselves so that they can contribute and thrive in a diverse community, in alignment with our five-year strategic plan," Superintendent Dr. Patrick Sullivan said.

Form Due May 8, 2023

2023-2024 Salary Threshold =
\$162,000

In response to legislative efforts to encourage greater cost sharing in service provision and local government administration, we now provide a section for districts that share administrative staff to highlight these efforts for the upcoming school year. Each sharing district should identify in the form the other district(s) with which they will be sharing administrative staff for school year 2023-2024.

If you will be sharing a Superintendent, list the other district (or districts) in the text box. If you will be sharing other administrative staff required to be reported, please send an email to EMSCMGTS@nysed.gov indicating the title of the staff persons(s) as well as the other district(s) involved in the cost-sharing.

The salaries, benefits and other compensation reported in the form should reflect only the financial support or commitment that your district will be making. They should **not** reflect the total amounts budgeted to be paid by all participating districts over the school year.

The New York State Report Card is an important part of the Board of Regents' effort to create educational equity and raise learning outcomes for all students. Knowledge gained from the report card about a school or district can be used to improve instruction and inform services to students. The report card provides information to the public on school/district staff, students, and measures of school and district performance as required by the Every Student Succeeds Act (ESSA). Fundamentally, New York State's ESSA plan is about creating a set of interlocking strategies to promote educational equity by providing support to districts and schools as they work to ensure that every student succeeds. New York State is committed to ensuring that all students succeed and thrive in school no matter who they are, where they live, where they go to school, or where they come from.

TOTAL COHORT REGENTS EXAMINATION RESULTS

A High School Cohort consists of all students who first enter grade 9 anywhere or, in the case of ungraded students with disabilities, reach their seventeenth birthday in a particular school year (July 1 - June 30). The "year" used to identify the cohort is the year in which the July 1 - December 31 dates fall. Results are reported four years after these students first enter grade 9.

Due to COVID-19 and changes to New York State testing requirements, Regents examinations in June 2020 through January 2022 were canceled, with the exception of the June 2021 Regents Examinations in ELA, Algebra I, Living Environment, and Physical Setting/Earth Science. The U.S. History & Government (Framework) June 2022 examination was also canceled. Due to the ongoing impacts of COVID-19, it may not be appropriate to compare 2018 Total Cohort Regents Examinations results with results from prior years.

2018 TOTAL COHORT REGENTS IN ELA

**** Please note:** The 2018 TOTAL COHORT REGENTS EXAMINATION RESULTS do not reflect the recently refreshed list of NYSED-Approved Regents Examination Alternatives Acceptable for Meeting Requirements for a Local or Regents Diploma. As a result, Local Educational Agencies (LEAs) and individual schools that had students participate in any of the exams recently added to the list of approved alternatives may have participation and/or proficiency rates that are in the process of being updated by Department teams.
