BOE Policy 5695 Data Overview from the 2025-2026 School
Year

The Purpose of This Presentation

Beginning September 1, 2026 and annually thereafter, the district will publish an annual report on its website detailing the enforcement of this policy over the past year, including non-identifiable demographic information of students who have faced disciplinary action for non-compliance with this policy, and an analysis of any demographic disparities in enforcement of this policy. If a statistically significant disparate enforcement impact is identified, the report will include a plan to mitigate such disparate enforcement.
